Sanctuary of Peace, a collection of poems and related photographs, offers readers insights, inspiration, and guidance on living a peaceful life. The author/photographer, Donna Day, states: "Inner peace is a priceless gift. It is one we give ourselves. No one else can hand it to us. We must desire, nurture, breathe, and focus on it. We must value peace beyond wealth, fame, power or glory. This book reflects a life spent focused on peace. May your journey through these pages bring you home to peace."
